

## Forge IPS Maths Week KS2 Trail - Ormeau Road

Please ask an adult to come with you as you complete your trail.

Start at the Carolan Road. Walk towards the city centre along the Ormeau Road.

1. Mr Watson has an important meeting to attend at City Hall. How much would it cost him to rent a bike if he leaves at 9:45am and returns at 6:00pm?

\_\_\_\_\_

2. Continue to walk towards the city centre. Can you spot what year Ballynafeigh Methodist Church was built?

\_\_\_\_\_

3. Continue walking until you reach Shed Bistro.

Mrs McAleer and Mrs Kerr decide to go there for lunch. They order Sourdough bread, Pan fried monkfish and Tandoori spiced chicken Brioche. How much change would they get from £50? \_\_\_\_\_

4. At No.463 Interiors Inc carpets are advertised from £6m<sup>2</sup>

Mrs Gowan needs some carpet for her classroom. How much would it cost?

16m

9m

£ \_\_\_\_\_

5. How many hours is the Bengal Brasserie open for business each week? \_\_\_\_\_

6. At Michel's fruit & veg shop 6 winter pansies are on offer for £2.50. These are usually priced at £0.50 each. How much money would this help you save?

\_\_\_\_\_

7. Cross the road safely at the traffic lights and walk to District coffee shop.

How much would it cost Miss Houston to add some chicken to her salad? £ \_\_\_\_\_

8. The cost of an orange juice in District is £ \_\_\_\_\_

9. Can you plan a lovely drink and snack for Mrs Wood and Miss Mahon for less than £15?

10. Note down the names of any 2D and 3D shapes you can spot at St Judes Church. How many did you find?

\_\_\_\_\_ shapes.

11. Carry on walking until you reach Ballynafeigh bus stop. What number of bus would I need to look out for to travel to Tesco Newtonbreda? \_\_\_\_\_

12. Ms Mahon is travelling to Forestside on Saturday to meet Mrs Gamble at 12:00pm using the 7b bus. Read the timetable to decide what time should she get on?

She should get the 7b at \_\_\_\_\_

13. What is 1619 on the timetable written in 12-hour clock? \_\_\_\_\_

14. Who would I be calling if I dial the telephone number 90 69 4444?

\_\_\_\_\_

15. If Kathy drops a letter in the postbox on Tuesday evening at 18:40, how long will it stay in the post box before being collected on Wednesday?

\_\_\_\_\_
