Dear Parent,

Following on from last terms badminton sessions that the school took part in we are keen to take this a stage further and set up a weekly badminton club in the school for interested pupils. The club will take place on a Thursday afternoon, with a session for **P2-P3 taking place from 2-3pm and P4-P7 taking place from 3-4pm.**

The club will start on Thursday 17th January 2019 and the sessions will be delivered by a qualified Ulster Badminton coach. The sessions will be free of charge to attend as the programme is being supported by the Every Body Active 2020 programme and delivered in partnership with Belfast City Council.

At present we are delivering after school badminton clubs in over 20 schools across Belfast and we hope pupils at Forge Integrated Primary School will be interested in taking up this opportunity. Interested pupils attending the school club sessions will also be given information about other badminton opportunities in Belfast such as holiday programmes and also weekly community clubs for them to join.

I hope this school club proves to be popular with the pupils of Forge and they continue to enjoy the sport and develop new skills and confidence as they attend each week.

Kind Regards

Ryan Prentice  
Club and Coaching Officer
