

Dear Parent,

The Boards of Governors for all schools in Northern Ireland are being re-constituted for a new term running from 2014 – 2018.

Our Board of Governors includes four Parent - Governors nominated by and from the parent body of the school.

All parents of children who currently attend the school are eligible for nomination.

School governors meet between five and ten times a year and oversee the school curriculum, finance and the appointment of some staff. BELB provide training for governors.

Serving as a school governor represents a significant voluntary commitment that does require time and effort but brings with it the reward and satisfaction of helping to contribute positively to our community.

We are seeking nominations for parent governors now. If you feel that you know someone who could, and would be willing to stand as a governor please read and complete the form below.

Yours Sincerely,

Principal
